SYDNEY ACADEMY OF SPORT, NARRABEEN

Wed 14 - Sun 18 December 2022

TRY SOMETHING NEW

Summer Camp is for kids aged 6-18 living with a neuromuscular condition who use a power wheelchair for mobility. Summer Camp will be 5 fun-filled days of connecting with peers, that offers a chance to experience teamwork and the thrill of a challenge, where campers can build on their independence and decision making skills.

REACH YOUR POTENTIAL

Camp is about kids stepping outside their comfort zone and learning to believe that they are strong individuals, capable of achieving remarkable things! Our activities provide something for everyone and are carefully designed so that all campers can participate.

"I had such a fun time at Camp this year! I especially liked my carer, Millie, who was super funny and cool. She took me swimming in the pool, we played laser tag and plotted multiple pranks on the other campers. She was my arms and legs the whole time I was there."

– Kamal (2019 Summer Camper)

MAKE LIFELONG FRIENDS

Are you ready for the most fun you can possibly have in four days? Build lifelong friendships, resilience and confidence in a safe, inclusive and fun environment.

"Daniel had a fantastic time, caught up with old friends, made new ones, was completely silly and even managed to miss his family, just a little. When he returns from camp each year we see a massive growth in self-esteem and confidence. Words cannot describe what this week away means to him."

– Joanne (parent)
