

## New South Wales Universities – Disability Services

This is a list of the disability services available at universities in NSW. Disability services can provide students with disabilities, long-term medical conditions or learning difficulties with required support services including planning, adjustments and liaison with university staff. It is important that students register as soon as possible with their university disability service. The support provided will be individualised and documentation on the person's disability or medical condition may be required.

### **Australian Catholic University - Equity and Disability Unit**

#### **Strathfield Campus (Mount Saint Mary)**

Phone: (02) 9701 4300

Email: [disabilityadviser.mar@acu.edu.au](mailto:disabilityadviser.mar@acu.edu.au)
