A SUGGESTION OR COMPLIMENT

AN ENQUIRY

An enquiry is where you have a particular question regarding our services and you would like us to address your queries.

Clients and members, including children and young people may make a complaint directly or with support from a family member, friend or advocate. Family members, advocates can also give feedback or make a complaint.

You may wish to raise any ongoing problems or concerns at this time.

MDNSW staff may follow up with you afterwards to check that the outcome of the complaint handling process is meeting your needs.

WHAT IF I'M NOT HAPPY WITH THE OUTCOME OF THE COMPLAINT?

You have the right to request a review of the decisions made during this process.

YOU CAN TAKE THE FOLLOWING STEPS TO FURTHER REVIEW YOUR COMPLAINT:

1. Discuss any concerns with the coordinator who conducted the review.
2. If you are unhappy with the outcome for this discussion, you can send a written request for a formal MDNSW review of any relevant decisions, clearly outlining your concern and desired outcome. MDNSW will arrange an internal review with an independent coordinator.
3. If you are still unhappy with the outcome, you can request a special review from the MDNSW General Manager (GM). This request must be in writing and must clearly outline the special circumstances that indicate there is a need for further review including the area of concern and desired outcome. The GM will determine if further review is warranted, and if so, how the review will occur. This may involve Senior MDNSW staff or external experts depending on the nature of the request.
