

# THE BEST CAMP KULA N' GADU YET!

Girls at the beach

Dean bravely held a snake!

Dean loved his time at camp and wished it would last until he turns 10 lol. Thanks to each and every one of you for your hard work and positivity at camp. We've noticed Dean is more eager to be involved/participate, more confident and enthusiastic somehow. Thanks for the time out for us to recharge too!

Wow what can I say.... You truly made my daughters week at camp. She looked like she had the best time ever. This smile on her face all the time shows you did an amazing job with making her happy and caring for her, I can't thank you enough!

Pamper time for the girls

A massive thank you to everyone involved in this year's Camp. Loretta, Jenny, Jay and Jim - you guys went above and beyond to make sure Jacko had an amazing time. Leaving a kid with additional needs with other people to care for them is tricky, but I never worry when he is at camp because I know he is in the best possible hands to help him be all he can. Thank you for being so generous with your time and talents.

A huge thank you to Loretta for everything she has done for not only this camp, but for every camp and event she has been a part of! She poured her time, energy and heart into everything she did for MDNSW and for that we are all eternally grateful! We are all going to miss you!
