St Vincent de Paul Society NSW is a NDIS LAC Partner delivering NDIS Local Area Coordination services in NSW

ARE YOU ABOUT TO TRANSITION INTO THE NDIS?

You are invited to a FREE information session about the NDIS and the role of Local Area Coordinators.

We will explain:

- What the NDIS is, and how it protects us all.
- What is funded by the NDIS.
- How the NDIS makes our communities more inclusive.
- What happens at the meeting with your Local Area Coordinator.
- What you can do to prepare.
- What happens when you receive your first funded plan.

The session will also include a presentation by Ability Links NSW.

Ability Links NSW is a free service promoting inclusion in the community by supporting people with disability and their families to fulfil their dreams and goals, and by linking with businesses and organisations in the community to make shared spaces physically and socially accessible.
