

Your Access to MDNSW supports

This policy is to let you know about how to access MDNSW supports and services

We will respect your privacy

We will explain costs to you before commencement of service

We make sure you have enough time to decide before you sign our Service Agreement

You have the right to make your own decisions about your supports

We will communicate with you in the way you prefer

Your supports will be free from violence, abuse, neglect and discrimination

We will supply information or an interpreter in your language

You can **find information** about our services here:
