

# ADVENTURE CAMP 2022

**Thurs 21 - Mon 25 April | Collaroy Centre**

## TRY SOMETHING NEW

Adventure Camp is for kids aged 6-18 living with a neuromuscular condition and who have independent mobility. Campers who use a wheelchair outdoors for longer distances are welcome. Adventure Camp is five fun-filled days of connecting with peers, that offers the chance to experience teamwork and the thrill of a challenge, where campers can build on their feelings of empowerment, achievement and inclusion.

*"Only 1 full day left? I don't want to go home! Can't wait to come back to camp!"*

*- Finn, first time Adventure Camper*

## MAKE LIFELONG FRIENDS

Are you ready for the most fun you can possibly have in five days? Build lifelong friendships, resilience and confidence in a safe, inclusive and fun environment.

*"Daniel had a fantastic time, caught up with old friends, made new ones, was completely silly and even managed to miss his family, just a little. When he returns from camp each year we see a massive growth in self-esteem and confidence. Words cannot describe what this week away means to him."*

*- Joanne (parent)*

## REACH YOUR POTENTIAL

Camp is about kids stepping outside their comfort zone and learning to believe that they are strong individuals, capable of achieving remarkable things! Our activities provide something for everyone and are carefully designed so that everyone can take part.

*"That was so scary, but I'm really happy I did it. I've never done high ropes before"*

*- Lachlan*

*"The abseiling was scary, but we did it!"*

*- Olivia*
