## WHAT HAPPENS AFTER I MAKE A COMPLAINT?

When you make a complaint, we will let you know:

- Who, at MDNSW, will be handling the complaint
- What will happen next, and when you are likely to be contacted again.

MDNSW will ensure that there are no negative repercussions for you in making a complaint such as reducing or cancelling any ongoing or new services to you, unless required by law.

You will receive an acknowledgement within 3 business days, either by phone or email, that your complaint has been received.

If possible, we may attempt to resolve the complaint immediately. If our staff need to make further enquiries, it may take a few weeks to resolve. However we will aim to respond to you within 21 days (3 weeks) of receipt of the complaint.

Where the complaint is about a more complex matter it may take longer to resolve. We will update you of the progress on a regular basis.

Sometimes it may not be possible for a complaint to be resolved completely. If this is the case, MDNSW staff will work with you to look at other options to address your issues. MDNSW staff may follow up with you afterwards to check that the outcome of the complaint handling process is meeting your needs.

## WHAT IF I'M NOT HAPPY WITH THE OUTCOME OF THE COMPLAINT?

You have the right to request a review of the decisions made during this process.

### YOU CAN TAKE THE FOLLOWING STEPS TO FURTHER REVIEW YOUR COMPLAINT:

1. Discuss any concerns with the MDNSW team member who conducted the review.
2. If you are unhappy with the outcome for this discussion, you can send a written request for a formal MDNSW review of any relevant decisions, clearly outlining your concern and desired outcome. MDNSW will arrange an internal review with an independent team member.
3. If you are still unhappy with the outcome, you can request a special review from the MDNSW Chief Executive Officer (CEO). This request must be in writing and must clearly outline the special circumstances that indicate there is a need for further review including the area of concern and desired outcome. The CEO will determine if further review is warranted, and if so, how the review will occur. This may involve Senior MDNSW staff or external experts depending on the nature of the request.
4. If you are still unhappy with the process, you can seek assistance from the external bodies listed on the next page.

## WILL MY COMPLAINT BE KEPT CONFIDENTIAL?

All complaints are treated confidentially. If you nominate someone to handle the complaint on your behalf, we will confirm this with you before dealing with them. We will not provide any details about yourself or the complaint until you have given your consent.

The CEO reports to the MDNSW Board on complaints and feedback during Board meetings, where confidentiality is maintained.

## CAN I MAKE A SUGGESTION TO IMPROVE THIS POLICY?

MDNSW values your input into all our policies and welcome your feedback on how we can improve our Compliments, Suggestions and Complaints Policy.

We will report the outcomes of your input back to you and advise the changes that have been made to our Compliments, Suggestions and Complaints Policy as a result.
