We know there's something special about connecting with people who truly get it, especially when they're part of your local community.

That's why, if you live in NSW's Capital Region or Canberra, we're bringing Peer Connect Local to you this September!

Spend the afternoon with peers in your community who understand what it's like to live with a neuromuscular condition.

Have a chat, share experiences, swap local tips and build meaningful connections close to home. Lunch is on us!
